

ABOUT

About Subsentio®

Subsentio, LLC. is trusted by both the private and the public sectors to perform lawful intercept. Based in Centennial, Colorado the company has national, regional and rural service provider clients.

Subsentio provides Lawfully Authorized Electronic Surveillance (LAES) and compliance services to a diverse community of communications service providers. From national carriers to ultra-small rural providers, our clients serve millions of subscribers with a wide range of communications services. These services are often complex, multi-vendor environments encompassing differing phases of evolution and technological approaches.

SUBSENTIO,
The **CALEA** Compliance Company™

Lawful Intercept Contact Information

Service

Subsentio provides Trusted Third Party lawful intercept services on behalf of its service provider clients including Broadband, Voice over Internet Protocol (VoIP), Cellular (including LTE), and Cable technologies. Our Security Operations Center can connect to Law Enforcement monitoring centers via an encrypted Virtual Private Network (VPN) or T-1 and are monitored 24 x 7 x 365 days per year.
